

The June Bubble

Annual meeting!

Hope everyone is all set to come to the annual meeting June 30th! It should be a good one. It all kicks off around 5 pm at Sweat Water landing in Lakewood. Everyone should be getting something in the mail on it soon!

Upcoming meets: CSU long course meet is back and will be held on July 7th and 8th you can download the meet entry form on our website.

Laura Kessler will be holding a party Saturday night at her home in Brecksville. It's BYOB. She will be having a cook out! Please RSVP her ASAP so she can get a count of how much she need to buy and how many chairs she going to need. Laura's contact info: 8056 Amber Lane Brecksville, OH
E-mail address: swimlaura@ameritech.net

Open water 1 and 2 mile July 28th see the website for details!

CSU:

This year for the first time CSU has gone into the red. After looking at the numbers midyear I could see that a possible shortfall would happen and brought it to the boards attention at the last board meeting. The reason for the shot fall is a combination of CSU raising the fees for pool time, lifeguards, parking issues all leading to lower attendance. O-hop also caused some minor issues. While we can't sustain losses every year I do believe we can turn CSU around and keep this program going by addressing the issue above.

I have already been in contact with CSU asking them to look at what they charge us for pool time. As of June 1st I am suspending O-Hop privileges at CSU, everyone will have to pay a drop in fee. The parking situation has been addressed and is better than ever and it's a snap to park and swim at CSU. I will closely monitor CSU and hope these changes will help bring CSU back in the black before I start exploring less desirable options.

Open Water:

Lake Erie is now open for swimming. Ok you multi sport people don't miss your chance to enhance your skills swimming in the open water with our group in Bay Village. For more info check our website.

See you on the beach! :)
