**Clinic news:**

For those of you that did not take advantage of the clinic with Bob Bruce, you missed a GOOD ONE! Everyone who attended the clinic was thrilled with how much they learned about their strokes. I want to thank coaches Pete Finefrock, Jack Groselle for helping out with the clinic. A big thanks goes out to Laura Kessler for planning the event! Thanks Laura for all your hard work!

Let us know if you like to have Bob back for another clinic next year.

**Meets: Wooster.**

Quite a few of you who attended the clinic and wrote Laura Kessler to tell her that you would like to have our coaches film you again. This would give you an opportunity to see if you have made the changes to your strokes that Bob suggested. While that is a great idea and we will be looking to do that, you are forgetting that the other way to see improvement and that is participating at our local meets. I'm not sure why more people don't take advantage of participating in the meets, it's fun and you can check the progress of your swimming by your time.

Our next meet will be at Cleveland State University in June. It will be a long course meters meet.

**Board Meeting:**

Don't miss out on the most exiting two hours of your life!!! attend the board meeting!
