May Bubble,

This will be a short bubble since attached is our quarterly newsletter.

CSU news:

The nude swimming joke in the last bubble DID get more than a few peoples attention. I had handful of people write to ask if it was actually happening. I also had a few people come up to me in person and say they would have gone to the nude swimming if we really had it. One person e-mailed me and suggested that we change the day and time to Friday and Saturday night!

Our Annual banquet:

Mark your calendars for June 30 for our annual banquet. As usual we will have an open bar and all the good food you can eat!

LCM Meet:

Our annual Long Course Meters Meet will be back at CSU July 7th and 8th.
